Center Time

We believe children learn through play. During this time children choose from a variety of centers that include; art, library, dramatic play, blocks, games, sand table, math, science, writing, listening center, music, manipulatives, puzzles, and literacy activities

Opening Circle Time

Calendar, weather, shapes, colors, numbers, letters, message of the day, and sharing

Snack Time

Children will enjoy a state approved, healthy snack. They practice table manners as well as develop social skills.

Small Groups

Math, science, and literacy activities in small groups based on developmental level of students

Story Time

We read and share a variety of stories relating to the theme or season

Fine Motor Activity/ Project

Daily craft, writing, learning and/or theme project allows children to mature in fine motor skills and creative expression.

Music & Songs

Different experiences during this fun time include active and quiet songs, finger-plays and instruments

Large Motor Activity

Outside play where children continue developing social skills and gross motor skills.
